

# THE TENTH SYMPOSIUM OF WORLD'S CHINESE SCIENTISTS ON NUTRITION AND FEEDING OF FINFISH AND SHELLFISH

## ( **First Announcement** )

October 22-26, 2015, Wuhan

Dear colleagues and friends,

The tenth Symposium of World's Chinese Scientists on Nutrition and Feeding of Finfish and Shellfish (**SWCSNFFS**) will be held on October 22-26, 2015 in Wuhan. Since Professor Ding Lin of Sun Yat-Sen University and Dr. Jan-Lung Chuang of Taiwan organized the first SWCSNFFS in Guangzhou (1992), nine Symposiums were held in Qingdao (1995), Shanghai (1998), Wuhan (2001), Zhuhai (2004), Qingdao (2006), Beijing (2008), Chengdu (2011) and Xiamen (2013) subsequently. The SWCSNFFS has become the largest gathering for global Chinese aquaculture nutritionists, from academy to industry and has become one of the largest and well-rounded communication platforms for exchanging ideas, sharing achievements and discussing advances in nutrition, feed and feeding of finfish and shellfish. The SWCSNFFS would also improve the tight cooperation for industry, education and research and receive more and more attention and interests worldwide.

In past years, the aquaculture in China has been more than 40 million tonnes (72.59% of total aquatic production). With the fast development of aquaculture, feed industry grow rapidly and aquafeed production in China (mainland) has been around 19 million tonnes and covers more than half of world aquafeed production.

But the sustainable aquaculture requires more and more new knowledge and technology from research and industry. The 10<sup>th</sup> SWCSNFFS will focus on high “quality,

safety and accuracy” aquaculture. The symposium would organize “industry forum” and “student forum” for the communication of some hot topics between famous industries, researchers and the young people.

This symposium will cover the following topics:

- 1) Nutrient requirements and ingredient utilization
- 2) Nutritional physiology and animal health
- 3) Food safety and animal quality control
- 4) Feed quality control and processing
- 5) Feeding physiology and technology

**Organizers:**

Subcommittee of Aquaculture Nutrition and Feeds of China Society of Fisheries

**Local organizers:**

Institute of Hydrobiology, Chinese Academy of Sciences

Huazhong Agriculture University

Yangtze River Fisheries Research Institute, Chinese Academy of Fishery Sciences

Freshwater Fisheries Research Center, Chinese Academy of Fishery Sciences

Wuhan Polytechnic University

**Co-organizers:**

Hinter Group, Co. Ltd. Guangdong

**Scientific Committee:**

**Chair:** Kang-Sen Mai (Ocean University of China, Qingdao)  
**Co-chairs:** Shi-Yen Shiau (Providence University, Taichung; Taiwan Ocean University, Keelung)  
Shou-Qi Xie (Institute of Hydrobiology, CAS, Wuhan)

**Members :** (In alphabetical order)

Liqiao Chen (East China Normal University, Shanghai)  
Jan-Lung Chuang (Taiwan NAN-LEON Institute of Technology, Tainan)  
Dong-Fang Deng (Oceanic Institute, Hawaii Pacific University, USA)  
Zhen-Yu Du (East China Normal University, Shanghai)  
Gen He (Ocean University of China, Qingdao)  
Xiang-Jun Leng (Shanghai Ocean University, Shanghai)  
Wen-Lian Liao (Taiwan University, Taipei)  
Yu-Hung Lin (Pingtung University of Science and Technology, Taiwan)  
Chyng-Hwa Liou (Taiwan Ocean University, Keelung)  
Yong-Jian Liu (Sun Yat-Sen University, Guangzhou)  
Yi-Lu (Editor board of Journal of Fishery, Shanghai)  
Bei-Ping Tan (Guangdong Ocean University, Zhanjiang)  
Silas S.O. Hung (University of California, Davis, USA)  
Min Xue (Feed Research Institute, Chinese Academy of Agriculture Sciences, Beijing)  
Ji-Dan Ye (Jimei University, Xiamen)  
Yuan-Tu Ye (Soochow University, Suzhou)  
Xiao-Qiu Zhou (Sichuan Agriculture University, Yaan)  
Zhi-Gang Zhou (Feed Research Institute, Chinese Academy of Agriculture Sciences, Beijing)

**Organizing Committee:**

**Chair:** Jin-Dong Zhao (Institute of Hydrobiology, Chinese Academy of Sciences)

**Co-Chairs:** Shou-Qi Xie (Institute of Hydrobiology, Chinese Academy of Sciences)  
Xian-Ping Ge (Freshwater Fisheries Research Center, Chinese Academy of Fishery Sciences)  
Xu-Fang Liang (Huazhong Agriculture University)

**Members:** (In alphabetical order)

Dong Han (Institute of Hydrobiology, Chinese Academy of Sciences)  
Yong-Qing Hou (Wuhan Polytechnic University)  
Feng Huang (Wuhan Polytechnic University)  
Xue-Qiao Qian (Guangdong Haid Group Co., Ltd., Guangdong)  
Wei-Min Wang (Huazhong Agriculture University)  
Hua Wen (Yangtze River Fisheries Research Institute, Chinese Academy of Fishery Sciences)  
Pao Xu (Freshwater Fisheries Research Center, Chinese Academy of Fishery Sciences)  
Yong Yang (Guangzhou Hinter Bio-technology Co., Ltd)  
Xiao-Ming Zhu (Institute of Hydrobiology, Chinese Academy of Sciences)  
Gui-Wei Zou (Yangtze River Fisheries Research Institute, Chinese Academy of Fishery Sciences)

**Secretary:**

Dong Han (Institute of Hydrobiology, Chinese Academy of Sciences)  
Yun-Xia Yang (Institute of Hydrobiology, Chinese Academy of Sciences)  
Zhi Luo (Huazhong Agriculture University)  
Ming Jiang (Yangtze River Fisheries Research Institute, Chinese Academy of Fishery Sciences)  
Ming-Chun Ren (Freshwater Fisheries Research Center, Chinese Academy of Fishery Sciences)  
Deng-Hang Yu (Wuhan Polytechnic University)  
Fen He (Guangzhou Hinter Bio-technology Co., Ltd )  
Jun-Yan Jin (Institute of Hydrobiology, Chinese Academy of Sciences)

**Call for papers:**

The Symposium is calling for manuscripts on the above mentioned topics. Please send the manuscript (Microsoft word 97 or updated version) by email to SWCSNFFS2015@ihb.ac.cn or by website of the symposium **in both Chinese and English.**

The manuscripts will be reviewed by the Scientific Committee and selected for oral or poster presentation. The abstract should follow the author guide for Acta Hydrobiologica Sinica (<http://ssswxb.ihb.ac.cn>). Please also provide the author's address and corresponding author's email.

**Hotel accommodation:**

The organization committee reserved all kinds of accommodations for the participants. Potential hotel would be Zhongnan Garden Hotel, Wuhan.

Detailed information will be provided in the second announcement.

**Post symposium tour:**

Local organization committee offers to help arranging optional tours after the Symposium. Detail information will be provided in the second announcement.

**Call for sponsors:**

The financial costs involved in organizing an international symposium as large as this and inviting famous scientists and specialists are relatively high. Therefore, we are inviting partnership and financial support for the symposium from a wide range of public and private sectors that benefit from the outcomes of research in fish nutrition and aquaculture.

It would be appreciated if you could please let us know at your earliest convenience, your interest and support. We propose that recognition of support and contribution will be made according to different levels of sponsorship received. The sponsorship will be list in the symposium documents and websites. However, there are limits on certain sponsorship packages and these will be taken on co-organizers (to be discussed), platinum sponsors (300,000RMB or 50,000USD), gold sponsors (200,000RMB or 30,000USD), silver sponsors (100,000RMB or 16,000USD) and normal sponsors (more than 50,000RMB or 10,000USD).

Please contact me (sqxie@ihb.ac.cn), or the conference organizer (SWCSNFFS2015@ihb.ac.cn) as soon as possible to ensure you obtain the sponsorship package that most suits your needs.

We would like to thank you in advance for your constructive involvement in making this symposium a successful event.
